Information according to Art. 13 General Data Protection Regulation (GDPR)

At the event you attend, recordings are made of the participants. These can be photographs, video and audio recordings (personal data). The information and transparency obligations required under the GDPR can be found in the following information sheet. Please note that this information sheet only applies to recordings made by the responsible party itself or a person appointed by it. The respective participants themselves are responsible for handling recordings made by individual participants in accordance with data protection regulations.

Controller

Controller for the recordings made is the company of the Bosch Group Austria that hosts the event or whose photographer is on-site. The following companies belong to the Bosch Group Austria:

- Robert Bosch AG
  A-1030 Wien, Gögnergasse 15-17, kontakt@bosch.at

Purpose and legal basis for the processing / (categories of) recipients of the personal data

The recordings will be used to capture the atmosphere, the overall impression of the event and to evaluate the number of participants. In addition, they will be used to report and document the event. The controller will store the recordings in Austria.

Selected recordings can also be published, e.g. on the Internet, external platforms, social media accounts (especially Instagram, Facebook, LinkedIn) or online/press works or internal platforms (especially Bosch Connect or Bosch Global Network). We may use the recordings for communication, documentation and presentation purposes. This may also include worldwide processing of the recordings by third parties and other legal entities of Bosch.

Therefore, the (categories of) recipients are employees of the responsible party who participate in the organization and realization of the event. In the case of publication on the Internet or other external media, these are the users of these (online) offers or, in the case of publication on internal platforms, all employees.

The legal basis for the data processing and in particular the publication of the recordings is the legitimate interest of the responsible person in the documentation and reporting on the event (advertising and marketing purposes, public relations) pursuant to Art. 6 para 1 lit. f GDPR. The provision of data is not required by law and is voluntary, without any link to other services.
Duration of storage / erasure
Your recordings will be erased if they are no longer necessary to fulfil the purpose for which they were stored or if processing is not permitted for other legal reasons. In order to ensure that your personal data is not stored longer than necessary, the controller will carry out a periodic review of the purpose.

Rights of data subjects
As the data subject, you have the right of access your personal data at any time. Furthermore, you have the right to rectification, erasure or restriction of processing, to object as well as to data portability. If you want to exercise your rights, please use our Online-Tool using the following link: https://www.bkms-system.net/bosch-datenschutz
